

## Re: Sponsorship of 1<sup>st</sup> World Sepsis Congress

Dear [First Name] [LAST NAME],

The 1<sup>st</sup> World Sepsis Congress (WSC) will be held completely online on **September 8<sup>th</sup> - 9<sup>th</sup>, 2016**, as a prelude to the 5<sup>th</sup> [World Sepsis Day](#) on September 13<sup>th</sup>.

The WSC brings together 70 world-leading experts on sepsis, infectious diseases and public health alongside high ranked representatives from health care authorities and policy makers- and last but not least sepsis victims and their family members.

The opening session: “Sepsis – A Global Health Threat”, will feature the following key participants along with 64 other speakers for the 13 distinctive sessions:

- Achim Steiner      Former Under Secretary General of the United Nations
- Helge Braun      Minister of State, Germany
- Marie-Paule Kieny      Assistant Director-General of the WHO
- Joe Kiani      Founder & CEO, Patient Safety Movement Foundation, ,

On behalf of the Global Sepsis Alliance (GSA) we would like to invite the [NAME OF organization] to become a sponsor of the 1<sup>st</sup> World Sepsis Congress. We are **not looking for financial support** but want to kindly ask to allow us to list you as an official supporter of WSC and to support us in the promotion of this congress among your members and contacts.

Due to the web-based format of the congress, we are able to offer an environmentally-friendly way to have participants from all over the world join free of charge.

More information on the congress can be found in the attached program and on the 1<sup>st</sup> World Sepsis Congress [website](#).

Thank you very much for considering our request

Yours sincerely,

K. Reinhart, MD ML
